SPONSORSHIP PROPOSAL

Dandenong Market will hold its third Night Market season in January 2024.

World Fare @ Night is a marvellous assault on the senses. Night Market features ready-to-eat "pop up" hawker-style food stalls offering some of Melbourne's most authentic street foods and exotic flavours, a fully licensed bar and, of course, market shopping - think handmade jewellery, vintage clothing, colourful ceramics, luminous silk lanterns, delicate pashminas and unique one-off buys all lovingly handcrafted by local artisans.

Roaming artists, street theatre, bands, cultural performances, a vibrant DJ and kids' activities will complete an evening of family fun, celebrating the amazing patchwork of nationalities contributing to our incredible culinary scene.
