DANDENONG
MARKET.

Fresh & Vibrant Since 1866

INTRODUCTION

Dandenong's historic market has been the jewel in the city's crown since 1866.

The Market is a unique meeting place, a place of economic contribution and of community celebration, bringing together more than 156 nationalities.

We are the last genuine example of Melbourne's traditional working markets, welcoming 5.6 million visitors last year. The rich cultural tapestry means you can enjoy the most authentic street food in Melbourne.

We are home to 200 small family-owned businesses, selling a wide variety of fresh produce, unusual and hard to find foods and other goods.

But it's not just the wide range of fresh produce that makes us who we are - the many faces, accents and languages are all part of the experience of visiting.

The Market is a vital economic generator for the city.

We understand everything about our customer - we know their age, gender, background, where they live and how they like to shop with us.

Our 8.3 customer satisfaction rating ranks higher than Australia's top 100 brands.

Of the 200 small independent family businesses at the Market, 80% are start-ups. Markets have the unique potential to incubate small businesses and have a track record in shepherding them to success.

Dandenong Market is an ideal low risk, high exposure option to start your retail journey or test your product.

We look forward to your call.

My parents started our business at Dandenong Market in 1974.

Now my kids work in the business and we have three successful shops at the Market.

I am so appreciative of the long standing and fortunate position we have had with the Market.

When I decided to convert my business from a home based business to a bricks and mortar outlet, I chose Dandenong Market.

It was the best decision I've made.

The Market team supported me as I established my business and I am so happy to be able to be able to give back to the local community.
